

Pneumatic Ring Clip Gun | MODEL: K-SC7C

WARRANTY TERMS

Austral Wire Products (AWP) guarantees the original end-user purchaser that the above product is supplied with a 12 Month limited warranty and is free from material and manufacturing defects. Within 12 Months from the date of purchase or delivery (whichever occur later), AWP will, at its discretion, repair or replace any defective K-SC7C KAMSIN-branded tools used in production. This warranty is non-transferable, and valid proof of purchase (showing date and place of purchase) is required for claims.

WHAT IS NOT COVERED?

This warranty excludes:

- **Wear-and-tear parts** (e.g. driver set, bumpers, active valve assemblies, cylinder components, O-rings, driver assemblies). For best performance, always use genuine KAMSIN fasteners and replacement parts.
- Damage from **normal wear, misuse, accidents, incorrect speed/air pressure, or improper storage.**
- The product being used in **commercial assembly lines or production lines.**
- Products used for **unauthorised applications.**
- **Labor costs** or damages due to improper operation, maintenance, or repairs.

WARRANTY REQUIREMENTS

For the warranty to apply:

- ✓ Only **clean, dry, regulated compressed air** (within the tool's specified pressure limit) must be used.
- ✓ No signs of **abuse, neglect, unauthorised modifications, or improper storage.**
- ✓ The tool must be operated **strictly as per the manual's instructions and maintenance guidelines.**

LIMITATIONS

This warranty supersedes all other express warranties. Implied warranties (merchantability / fitness for purpose) are limited to this warranty's duration. AWP is not responsible for incidental or consequential damages.

Note: This warranty applies only to the KAMSIN K-SC7C product bought through Austral Wire Products bona fide resellers.

HOW TO CLAIM WARRANTY SERVICE

To request service, ship the product (at your cost) with proof of purchase and all other relevant details to AWP at the address listed below.
